Built in 1986 and 1988, the authentic paddlewheelers played a major role in the popular World Expo '88, held at South Brisbane (now Southbank Parklands). The classic elegant décor and famous Queensland hospitality on-board the River Queens will ensure a truly delightful and unique experience which will take you back to an opulent bygone era. As you cruise the Brisbane River, guests will admire the unique beauty and versatility of the Kookaburra Queens which were built with traditional Australian timbers.
