 **ARRIVE**
Please arrive 30 minutes before your cruise time.

 **CHECK YOUR BOARDING GATE**
Please view office window for directional signage as to which gate you will be boarding from.

 **BOARDING OPENS**
Get ready to board the vessel. All you will need is your Booking Name and we'll issue you with a boarding pass. **There's no need to print anything.**
Please ensure all members of your group are present and ready to board together.
Prior to stepping onboard, all we ask is that you check in on the Qld Government Check In app. A QR code will displayed at the office and at the boarding gate.

 **YOUR TABLE**
Once you are aboard you will be taken to your allocated table where your wait person will take your first drinks order.

 **BOARDING CLOSES...BON VOYAGE**

 **SAFETY BRIEFING & DEPARTURE**
Once all guests are aboard, our Captain will conduct a Safety Briefing.

 **BUFFET OPENS**
Staff will invite all guests up to the buffet, table by table. To avoid queuing, we do require all guests to remain seated until your table is called up, by a member of staff. Once all tables have been through the buffet once, staff will advise you again when you can head back for seconds.

 **DESSERTS SERVED**
Main buffet is removed and the desserts buffet is open.
Staff will again direct you to the dessert buffet

 **BUFFET CLOSES**
It's time to explore the vessel... head to the rooftop and don't forget to bring your phone/camera for the most amazing photo opportunities in Brisbane.
Make sure to tag us in your happy snaps!
You can meet the Captain (located in the bridge on the rooftop) and even steer the vessel if you like.

 **BAR CLOSES & BILLS ARE FINALISED**

 **RETURN TO DOCK**
It's time to say goodnight... Our crew will bid you farewell once the gangway has been put in place
